MIP & Ellamo Activities:

MIP starts securing full rights (IP's) and studies how to use it as leverage for financing and negotiating with investors and potential co-producers. Turns out that having the IP helps a lot.

MIP works on scripts and research for its film projects. Some projects that have restrictive or unfair contract with book publishers have to wait to sign with MIP until the term is served.

Very promising IP to be signed after abusive rights publisher end. Co Authors Montse & Assumpta.

An idea to create a film festival in southern Europe Castelldefels/ Barcelona arrises.

Concept design award **I**nternational **F**ilm festival **C**aselldefels

Name would be IFC (**I**nternational **F**ilm festival **C**astelldefels) which would have a severe humanitarian character linked to LA (USA) and the Academy (Oscar).

Mel Gibson would be the first international guest of honor and jury president at IFC.

Idea of IFC more than welcome!

Politicians in the area supported the idea including the fresh Mayor elect and team of Castelldefels. Opening Gala and final gala activities would be in Castelldefels (city of celebrities like Lionel Messi and many others)

Manely & Manu Reyes, Mayor of Castelldefels

Manely & Nico Cerpa, Deputy Mayor Castelldefels

The festival self would be 1 week and two days From weekend to weekend in Barcelona at the Palace area near Plaza España. Royalty would be invited too.

We decide to freeze this event until Ellamo has funds to finance the start up or after the first big MIP IP has been fully financed to be able to keep legacy and control. There is a full support and willingness form the area institutes. Very promising for the near future.

Excutive Buisness Plan for the Ellamo Foundation

The Ellamo Executive Board & Business Plan, a five year business plan to propel Ellamo into a bright future to impact is still in the archives. In 2024 we will take a look again to see if we can start up. When in place, Executive Members will sign a free lance contract and invoice when results are met. The plan is to launch this model end of 2025.

To do so in 2024 a trip to Los Angeles (US) is planned to meet a few Advisory-board members.
